

Take a Class with CLAS!

The College of Liberal Arts and Sciences

The College of Liberal Arts and Sciences (CLAS) is the heart of the University of Iowa. CLAS houses various areas of study ranging from social sciences and STEM to writing and performing arts.

As a CLAS student, you'll join Iowa's largest college within the university where you can easily study across disciplines. You'll find students involved in multiple majors with many pursuing art and science curriculum simultaneously – think computer science and art, or music and math.

It's okay not to have a major when you arrive – or to change it. We offer the Open Major for anyone who is undecided, so you have time to find your passion. Our advisors will be there to help you every step of the way.
